

American Embroidery Supply Offers New Thread Clippers

American Embroidery Supply, Columbus, Ga., has introduced new light-duty, micro-tip thread clippers.

The 4.75-inch clippers (#700) feature stainless steel blades, super sharp points and an auto-return action that automatically reopens the blades after clipping.

American Embroidery Offers 3-D Puffy Foam

American Embroidery Supply, Columbus, Ga., has introduced 3-D puffy foam.

The non-toxic, water-resistant foam is machine washable, but it is flammable and cannot be dry-cleaned. It perforates cleanly when stitched through, according to the company. It is available in four colors: white, black, Royal and red.

It measures 3mm and comes in individual sheets measuring 9" x 12".
